**Morocco Tour 100 % OnRoad.  
10 Days, 09 Nights.  
October 2020, Tangier, Marrakech and Tangier.**

10 days, 09 nights, approximately 2400 km, 100% Onroad. Daily distances; from 140 km to 300 km (including one day of 427 km). A typical day on horseback starts at 9:30 am or 10:00 am and we reach our destination around 6:00 pm. We plan in 2 optional days of rest by the pool / beach in Morocco When booking, you will also receive a road book with a detailed description of the day, highlights, fuel points, meeting points , accommodation address and telephone numbers.

Our itinerary is recognized as the best in Morocco and visits the highlights of the country on the best motorcycle routes. We visit the Sahara, the Middle Atlas, the High Atlas and the coast. Driving conditions in Morocco are exciting and difficult due to the varied terrain, dry weather conditions and strong sunlight, donkeys, camels, etc., high mountain passes, canyons and high desert plains .
